PRESS RELEASE: NEW INTRODUCTIONS

28 May 2025, 06.40 am (UK-Time)

Freedom to pursue the dream mission of Movement of Conservative Libertarians (MOCL)

Following the closure of civil and criminal proceedings the outcome of which was the total lack of truth, justice and democracy for civilians within the Law and Order/Judiciary System as experienced by the Founder of the MOCL (linked here: https://archive.org/details/the-milestone-400-th-book-digital_20250514_0602 ; https://archive.org/details/thanks-for-connecting-digital_20250516_2059) the Conservative Libertarian Publications Limited can now proceed to recruit Members within the United Kingdom in the first instance (and globally) to take part in the democratic process; the outstanding legal hurdles being erased through acceptable legal protocols in the complex Constitution of the United (in https://archive.org/details/free-to-chase-the-mission_20250520_1608 ; https://archive.org/details/that-was-nice-digital_20250522_1938) https://archive.org/details/renewed-proceedings-digital_20250524 https://archive.org/details/putting-it-to-the-test-digital_20250525_0954 https://archive.org/details/game-set-and-match-digital_20250528

So let us look forward to a good future through a brand new approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our **Membership websites** are at:

<https://app.joinit.com/o/conservative-libertarians/>

<https://knowledgefoundersunited.com/>

whereas our **Structure and Issues** encountered are at

<https://theconservativelibertariansociety.com>

Our **Mission Statement** is set out here:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement> ; with the adoption of Green Socialism as enunciated through here: <https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/why-governments-should-not-be-so-manic-about-growth>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. The draft Constitution of TCLP-UK presented is set out here (<https://www.theconservativelibertariansociety.com/about-1>).

MAKING IT UP AS ONE GOES ALONG

[Edited: 07.18 am (UK-Time), 26 May 2025]

Words are just descriptive-expressions that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is

living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapts old words to meet a particular requirement in terms of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 27 years in particular but which derives from my Hindu upbringing in India. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed these in the 407 eBooks that I have so far written in the series under the theme, 'The Allurement of Reality' available here (<https://www.theallurementofrealityinreview.com/shop>). But I hope that no such clarifications would be necessary or me be called upon to answer: I wish to let my books do the talking, hence I am editing this post now that I have some free time. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Maha-Samadhi. I wish to make it clear at this point in time. For me Samadhi seemingly started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it the Realisation is today. I had tried to consider numerous times during these years that I had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not know what there is to Realise. It had to be awaited with patience. And I formulated a plan of Self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the period 2020 or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

Maha Samadhi is total Realisation when one does stop one's karma in sanatana dharma and lives in Yoga-ananda, the yogadaan emanating from one's dedication to the comprehensive approach to yoga. It is the state of Living freely in total Realisation and Control so that one is instantly making decisions with spontaneity, nonchalance and unpremeditation without any thought of moving along a certain truth path. So there are no tactics, such is the state of Realisation as automaticity existence.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I first wrote this posted account at 10.37 am on the 12 of October 2021.

I am in Maha-Samadhi now.

Your Honour

I am being inundated by questions in my websites but have to now withhold comments on account of the fact that these matters are seemingly sub-judice and commenting in public may be seen by a Judge as an act of contempt of Court.

So I have taken this lead to advise Ahmed Ansari just now, accordingly, as shown below:

I am also copying this email to the Court of Appeal to determine what the restrictions are on discussing these matters in the public domain while the issues remain adjourned in the Courts concerned.

Yours sincerely

Your Honour

Our work programme has stalled due to uncertainty on whether the Mission of MOCL in the UAE can proceed unhindered with respect to the linked proceedings:

<https://www.thelibertariandemocrats.com/forum/diary-of-the-author/26-may-2025-15-06-pm-uk-time>

If I do not hear from the Court by 5.00 pm today we will assume that all systems are go for our project and we will therefore go ahead and organise the Meeting of Minds Session with our UAE collaborators and our Colleagues above who have accepted the invitation so they can take out Memberships of Conservative Libertarians (UK).

Yours sincerely

Oh Hi Karolina , there are a few issues that have cropped into my mind. Correspondence with Cllr Seb James and Joshua Eames in LinkedIn 25May2025.docx attached; and

Chris Wood in Facebook-Messenger:

Hi Shan. I don't want to join any political party. I like to be free to vote for the party I think will do the best job for the country. Thanks for the invitation to join and be an official but I will decline.

With 5 political parties (Labour, Tory, Lib Dem, Reform, Green) already established it's difficult to see how a 6th party can get a look in. Cricket will be more fun! Best regards Chris

Today at 09:58

09:58

You sent back to Chris Wood:

No worries: I just wanted to test the State authorities to see if a cultural-republicanism political party would be allowed to register or pressure would be placed on individuals not to cooperate with me to stop me from registering the party. I had entered the names of four individuals as the required official (Mohammad, Danewswari, Paul Tiwana, and Rupa Panigrahi) and the shameless Monarchical Establishment did not correspond with me. I have asked you and you have your reasons to decline. That is your right. I made connections with 4300 LinkedIn Members, not one would back me up. So from the secrecy of State operations, the Party TCLP-UK is not being allowed a foot-hold in the political scene of the country. This is because the Monarchical Establishment want the Monarchy to be everlasting. Just saying. No one can escape truths.

Misunderstanding developed clearly: you could not help me in any way but you kept on corresponding so I felt that you were taking instructions from the State authorities to thwart my registration of the TCLP-UK in the Electoral Commission. No one cooperates with me. It is like banging against a brick wall. The Courts do not address my concerns, the Police arrest me instead of dealing with my suffering, and the political parties do not represent me in Parliament, so I tried to form my own party. What is wrong with that. I identified the cause of the untruths, injustices and lack of democracy as being solely the manifestation of the Absolute Monarchy with total Power in the hands of the Monarchical Establishment. The control Members of Parliament, the Parliamentary procedures, the Judicial processes. We are all subjects as has for long been known. This morning I tried to -re-enter our daughter's name as the Campaigns Official in the PEF Form at the Electoral Commission and it should have instantly sent a notification to her in the email address that I entered, but nothing came. So I asked three MPs to look into the matter as attached: CORRESPONDENCE WITH BOB BLACKMAN (MP) AND SARAH BOOL (MP) ON UNDER-HAND TACTICS TO THWART DEMOCRACY.docs, and I did not even get an acknowledgment. Dear Right-Honourable Bob Blackman

1. Over the past few years I have spent time examining the Constitution of the United Kingdom and having previously tried joining different political parties and learnt about their work programmes and politics I felt that there needs to be a new way for society to organise itself.
2. This would be to place greater emphasis on truth, justice and democracy and less of the Monarchical existence that hinders these principles leading to rampant crime and lesser forms of corruption which the Judicial and Law Enforcement Systems are ill-equipped to tackle, so people suffer.
3. The Society that we should try and develop is summarised as Green Socialism with the entrepreneurship fostered such that sustainability becomes automatic Conservative Libertarianism. Details of my investigations are to be found in the linked Press Release of earlier today: <https://www.theconservativelibertariansociety.com/post/press-release-new-introductions>
4. Unfortunately, the Monarchical Establishment through their secrecy of operations have always tried to sabotage what I was in the process of developing since I formed the Company named 'The Conservative Libertarian Publications Limited' incorporating the Conservative Libertarian Society and its offshoot, The Conservative Libertarian Party of the United Kingdom (TCLP-UK).
5. I have tried to discuss the formula of TCLP-UK with 4583 connections at LinkedIn and this evening's games of the Monarchical Establishment was the last straw so that I took leave of my use of LinkedIn to try some other means of getting the TCLP-UK making headway to gain a foothold in the politics of the United Kingdom as a cultural republican Party.
6. I have part-completed the registration of the Party with the Electoral Commission but the powers that be are organised to thwart this registration, by preventing the names of officials being accepted in the diligent manner and stopping new comers becoming officials of the TCLP-UK.
7. It is entirely wrong for the State to use underhand tactics to thwart the formation of a political party in this manner.
8. If you could investigate this matter as my own Member of Parliament Naushaba Khan (Gillingham and Rainham) does not reply to my concerns expressed over the past few months, I should be grateful for the sake of democracy in the United Kingdom.

Yours sincerely

A Mohamad, I have been engaged in Hoax Slaying of Demons in the United Kingdom for as long as I can remember. During this experience I found that criminality is part and parcel of the entire fabric of life in the country and there is no recourse to justice to make criminals pay for their crimes on mainly unsuspecting individuals. The Police regard them as scammers but they play havoc on unsuspecting and vulnerable individuals. I have documented my ways of tackling these criminals in 408 eBooks under the theme, 'The Allurement of Reality' (<https://theallurementofrealityinreview.com/shop>). That was not enough I formed a political party, named the Conservative Libertarian Party of the United Kingdom (TCLP-UK). My Party (TCLP-UK) will root out criminality as high priority target policy. Nafees, I have been engaged in Hoax Slaying of Demons in the United Kingdom for as long as I can remember. During this experience I found that criminality is part and parcel of the entire fabric of life in the country and there is no recourse to justice to make criminals pay for their crimes on mainly unsuspecting individuals. The Police regard them as scammers but they play havoc on unsuspecting and vulnerable individuals. I have documented my ways of tackling these criminals in 406 eBooks under the theme, 'The Allurement of Reality' (<https://theallurementofrealityinreview.com/shop>). That was not enough I formed a political party, named the Conservative Libertarian Party of the United Kingdom (TCLP-UK). My Party (TCLP-UK) will root out criminality as high priority target policy. The development of the Political Party is now complete: <https://www.theconservativelibertariansociety.com/post/press-release-new-introductions> . but I need an additional official to register it with the Electoral Commission. Can you be that official? Shantanu

It is important for democracy in the United Kingdom that I get only a handful of supporters so that I can test whether registration is a foregone conclusion.

 subject: Re: [filtered] Discharge from Secondary Care back to primary Care GP Services but
 mailed-by: gmail.com

Dear Jo

The response I received from Lois Derham this morning to the email made it clear that the Service will not reconsider my need to continue to have the support of Britton House and especially Dr Odesanya with a Care Coordinator to assist me to pass my daytime hours, for example fixing me up with coach trips to the seaside that Michael had seemingly promised. I am very confused about it all and I sought the assistance of VivekaVani on Facebook as well as Sadhguru Jaggi Vasudev explaining to the former in detail my mental disturbances of the past 24 years, but neither of them could assist me with concrete suggestions on whether satya-advaita yoga is delusional and I should revert to Hindu Yogashastras with its strict rules that need to be obeyed. So, since I was discharged, I have been looking for alternative mental health support from wherever I can find it. The thoughts that I have are very complex and the truth that I sought is still elusive, but there is still this compulsion to assess my past history to try and rationalise it all in my mind in case His Honour Judge Lightman of the Central London County Court announces a Hearing to see if the £100 Court Fee I had paid for my Appeal against his £4170 award of the Defendant's Costs could yet be reversed and similarly if the University of Greenwich will pay me my severance pay of £55,000. For I never was allowed to attend the Disciplinary Hearing on my terms and the Institution of Professional, Managers and Specialists (God, if He truly exists that is, alone knows where they are now) were supposed to be negotiating my medical retirement. I am not sure if Tesco or Sainsbury's will have me back say for 15 hours a week on Till Work either and Royal Mail has not contacted me for this year's Christmas warehouse work. So, in answer to your much awaited reply, I am very grateful to you for writing to me and offer me some emotional support at this difficult time when I was very upset with what happened to Sir David Amess so I became very Islamophobic and fired off a petition at 38 Degrees and to Liberty to do something about the Quran, muddled as I was with how such a saintly person as this Parliamentarian of distinguished service to Parliament and his constituency could have lost his life leaving his wife and 5 children without a man about the house. I am sorry to have vented my anger at the Muslims. I am over it now. Let bygones be bygones, that is what I always console myself with when something bad happens to disrupt my peace of mind.

This evening I terminated my relationship with Liberty and 38 Degrees for it was not getting me anywhere near where I need to be to sort out my delusions and paranoid schizophrenia, and fearing that the State of the United Kingdom still wanted to boot me back to a far off land that I have no connections with like India and Pakistan, I decided not to meet Priti Patel when she replies to me on why she needs to see my passport when she comes to our house on Wednesday the 20 of October 2021 for a rendezvous as she put it. Please allay my fears, you know as well as I do that I would be killed by Indians and Pakistanis after all that I have said about the lot of them over the past 24 years.

This of course does not mean that I am safe in the United Kingdom either. See what happened to Salman Rushdie but I might get Police protection for the terrorists could strike me at any moment, such is the state of my paranoia.

So yes, I do not wish to be discharged from Britton House for the medications I am taking have not worked to any great effect in controlling my mental disorder. I am just managing. I drive my

daughter to her workplace and bring her back home as she has not had much driving experience since she passed her Driving Test, and I do work around the house to keep myself as calm as possible under the circumstances.

I hope you can speak to Dr Odesanya urgently on my behalf so I can go and see him in Britton House before things turn really nasty for me with two major sources of possible dangers: the Court of Central London doing a Pre-Trial Hearing on me and summarily sending me to a Crown Court for consideration of a Judge to imprison me for calling the United Kingdom a nation of morons in a Police State and wanting to punch the final nail in the coffin of such a satanic State; or get incarcerated in a mental hospital: which is the frying pan and which is the fire I do not know. Perhaps you can help me understand; please.

Shantanu

Take Five and learn tactics to stay safe

Hi Shantanu

Just like tough opposition on the pitch, fraudsters train to stay at the top of their game. Their goal is getting your money or information, but you can get match ready.

Take Five can help stop fraud

Take Five is a national campaign offering straight-forward, impartial advice that helps prevent fraud. We're supporting Take Five week – their 'Team Talk' campaign explains how you can get match ready for the fight against fraud.

Our top tips to protect yourself on the pitch.

Go at your own pace. Criminals will rush you, so you take action without thinking. Slow things down and make the right checks.

Don't be pressured. This is your money and information, it's ok to refuse a request.

Trust your instincts. If something doesn't feel right, stop and call us.

Check out how good your fraud defences are with the Take Five's match ready tool.

Protect yourself against fraud and scams

Never share a Santander One Time Passcode (OTP) with another person. Not even a Santander employee.

Never move your money to a new account for security reasons. If you're asked to do this, it will be a scam.

Never take things at face value. Criminals pretend to be people you trust. Always make sure you really know who you're talking to.

PRESS RELEASE: NEW INTRODUCTIONS

29 May 2025, 16.16 pm (UK-Time)

Freedom to pursue the dream mission of Movement of Conservative Libertarians (MOCL)

Following the closure of civil and criminal proceedings the outcome of which was the total lack of truth, justice and democracy for civilians within the Law and Order/Judiciary System as experienced by the Founder of the MOCL (linked here: https://archive.org/details/the-milestone-400-th-book-digital_20250514_0602 ; https://archive.org/details/thanks-for-connecting-digital_20250516_2059) the Conservative Libertarian Publications Limited can now proceed to recruit Members within the United Kingdom in the first instance (and globally) to take part in the democratic process; the outstanding legal hurdles being erased through acceptable legal protocols in the complex Constitution of the United (in https://archive.org/details/free-to-chase-the-mission_20250520_1608 ; https://archive.org/details/that-was-nice-digital_20250522_1938) https://archive.org/details/renewed-proceedings-digital_20250524 https://archive.org/details/putting-it-to-the-test-digital_20250525_0954 https://archive.org/details/game-set-and-match-digital_20250528 https://archive.org/details/right-on-track-digital_20250529_1510

So let us look forward to a good future through a brand new approach to the organisation of society championed by the Conservative Libertarians. If you wish to find out more, please let me know. Our Membership websites are at:

<https://app.joinit.com/o/conservative-libertarians/>

<https://knowledgefoundersunited.com/>

whereas our Structure and Issues encountered are at

<https://theconservativelibertariansociety.com>

Our Mission Statement is set out here:

<https://www.theconservativelibertariansociety.com/post/movement-of-conservative-libertarians-mission-statement> ; with the adoption of Green Socialism as enunciated through here: <https://www.theconservativelibertariansociety.com/forum/tclp-uk-proceedings/why-governments-should-not-be-so-manic-about-growth>

I named our Mission as the Movement of Conservative Libertarians (MOCL) that has the objective bringing in the ethos of truth, justice and democracy into the world within nations and across nations. Our Movement specifies that we should not harp on about the past history but look forward to a good future through this radical approach to the organisation of society.

If you can help us that would be great. I need an Additional Official to complete the application for consideration of the registration of my political Party The Conservative Libertarian Party of the United Kingdom (TCLP-UK) with the Electoral Commission. The draft Constitution of TCLP-UK presented is set out here (<https://www.theconservativelibertariansociety.com/about-1>).

To
 Court Manager
 Medway County Court

Dear Sir/Madam,

I have not had any luck trying to extract a judgment from the Central London County Court and so questioned whether the proceedings are at Medway County Court or at some criminal Court in respect of Particulars of Damages and Compensation J00ME572 at Medway County Court in Dr Shantanu Panigrahi v Kent Police23May2025.pdf.

2. It may be relevant that at 3.38 pm my Mobile Phone rang from a Spam Caller dialling from 0331 6307015. I answered it. A man: Scottish Power or someone. I asked him: 'Who asked you to phone me.' Sorry he said and mumbled on. The line got cut off.

3. Please advise what the outcome is.

Thank you

Yours sincerely

Hello again,

I have another client in Aberdeen, Aberdeen City who came to Bark to find an Immigration Lawyer (not relevant to your services?) . .

How Bark works :

We gather a brief from a customer and offering it to service providers like your business. Usually it cost credits to contact customers but as I approached you, this one's on us to give you an idea of how the platform works.

I recently helped a growing events company, they left the following comment: "Bark helps me fill up my calendar nicely, I've increased my business by 25% & it's now one of my main marketing channels"

Mutaz, Aberdeen, Aberdeen City

Who needs the immigration help?

Just me

Which service(s) do you require?

Other

Which describes your current immigration status?

Limited leave to remain not expiring soon

What stage of the immigration process are you in?"

Unlawful detention

Would you consider online or remote provision?

Yes

What is your preferred timeline?

Urgent – I need help immediately

Additional details:

Dear Sir/Madam, I am currently living in Aberdeen and I am writing to request legal advice and assistance regarding my situation. I entered the United Kingdom irregularly and was detained by the authorities. In court, I pleaded guilty to entering the country illegally, and I was sentenced to six months in prison. After serving my sentence, my immigration case was reviewed, and I was officially recognized as a refugee and granted Human protection based on my personal circumstances. I believe that my imprisonment may have been unjust or unlawful, especially considering that I was entitled to protection from the beginning. I would like to know whether I have the right to submit a complaint or request compensation for being imprisoned despite my later recognition as a refugee. I would appreciate the opportunity to discuss this further with a solicitor and provide any documents required, such as my refugee status decision and court documents. According to Article 31 of the Refugee Law, I am wronged. Article 31 Says (Simplified): Refugees should not be penalized for entering a country illegally They come directly from a place where their life or freedom was threatened, They present themselves to authorities without delay, and They show a good cause for their illegal entry. Thank you for your time and assistance. Full Name: [Mutaz A H Mohamed] Address: [205 park street, AB24 5JR Aberdeen, Scotland] Phone Number: [074●● ●●●●●] Kind regards, Mutaz

This discussion about resuming the culling of wild horses in Australia highlights the complex balance between environmental management and ethical considerations. From an investment perspective — like the sustainable approach Pedro Vaz Paulo advocates in real estate — it's crucial to consider long-term impact, not just short-term fixes.

Managing natural resources responsibly aligns closely with sustainable investment principles: preserving value while respecting the ecosystem. Just as real estate investors must weigh community and environmental factors to ensure enduring growth and social responsibility, wildlife management policies should aim for solutions that protect biodiversity without compromising ethical standards.

It's a reminder that whether in property or environmental stewardship, forward-thinking strategies that harmonize economic goals with ecological sustainability create the most resilient outcomes.
